MEMORANDUM FOR: Deputy to the DCI for National Intelligence Officers  
Deputy to the DCI for the Intelligence Community  
All National Intelligence Officers

SUBJECT : COMIREX Participation in the KSR Process

1. The purpose of this memorandum is to express COMIREX Staff interest in participating in the KSR process. We are particularly concerned that imagery collection and exploitation requirements fully reflect the substantive needs expressed in the KIQs. A primary responsibility of the Committee is to develop, on a community basis, objective measures of intelligence returned in relation to imagery resources expended. Involvement in the development of the KIQ Strategy Reports should enhance the ability of COMIREX to make a more meaningful contribution in this area.
